

Dear Friends

Thank you for showing an interest in the lives of those attending and living at Gabriella Centre.

While monetary gifts are the most flexible way of supporting Gabriella Centre, there are many day to day items that are always needed.

Please find a list of some of our needs. Whether you choose to donate as an individual or if you are able to contribute as a company with a larger donation or assist with fundraising towards one of the bigger needs on our list, every gift is appreciated more than you can imagine.

All financial donations are deductible in terms of Section 18A of the Income Tax Act. Receipts will be issued.

1. Mini bus (sponsoring company details will be advertised on vehicle)
2. Insurance/Maintenance costs of Mini bus
3. Monthly Salary of Driver

Perhaps you are not able to work with special needs children and adults on a daily basis...that is why we are here.

Your gifts make it so much easier for us to do what we do. Your support gives us renewed energy to keep going and remain focused on the children and adults who need us and not on the financial daily pressure.

Thank you for your kindness and generosity.
